Sure, we can do that.

Question: Are you good with Ricardo and Nicolas Watson calling in for the bond conversation? That is important to the facilities team and I should have made it clear to you both before.

Also, Jed will be on the line calling in, especially for the Supe conversation, but not there in person.

Your vote matters! The 2018 statewide primary election will have a big impact on the future of California's public schools and students. Help ensure we elect candidates who support charter public schools and will put kids first. The deadline to register to vote is May 21. Be sure to register to vote <https://registertovote.ca.gov/> and make your voice heard on June 5!

Modifications Including 2:30 Start Time

Good point. We can have the Supe convo with a hard stop for bonds. This is fun...like planning for a kindergarten class. We will even have snack time.

Looks good. You think people will contain themselves through the bond convo if it's first? Sure you don't want to have the superintendent convo first?

Hi everyone,

Emilio just gave me a quick call with suggestions about modifying today's LAAC meeting based on the following:

* Frances and Jose cancelled due
to a leadership meeting with the District
* We picked a Superintendent

Here's my recap of next steps based on
our conversation:

1. Jennie and I will email the LAAC with an update that will let them know:

a. Austin was selected and include CCSA and the LAAC's statements.

b. Frances and Jose had to cancel because of a leadership meeting with the new Superintendent scheduled for today.

c. We are proceeding with our meeting, and will focus much of the conversation on debriefing the Superintendent decision and implications for the LAAC.

d. We are asking folks to arrive by 2:30pm instead of 2:00pm now and if possible, to plan to stay afterward for refreshments and to volunteer.

2. We will update the calendar invite.

3. We will update the actual meeting agenda to reflect the following:

a. Start time of 2:30pm

b. Introduction and framing

c. Bond conversation starts as planned at 2:45pm with Ebony and a fishbowl exercise led by Cristina

d. Conversation regarding the Superintendent

i. Context from Jed regarding Austin Buetner

ii. Whip Arounds:

1. What relationships do you or folks you know have with Austin? What do you know about him from those relationships that might help us in this work?

2. What have past relationships with the Superintendent looked like for the charter community? What worked and what didn't work? How should we leverage those learnings to approach this opportunity with Superintendent Beutner?

iii. Facilities and Authorizing/Oversight Breakouts: Emilio will lead authorizing conversation, Cristina will lead facilities conversation. CCSA staff will split up and take notes.

1. Knowing that Ref's hearing is pushed back to July 23 and that a new Superintendent is starting on May 14, what priorities rise to the top of our list?

2. What should we present to him as highest urgency and priority?

3. How does this Superintendent selection change anything about how we approach our priorities

iv. Reconvene and Briefly Share Out

e. Wrap Up/CCSA Update

i. Volunteer shift Commitments for leaders and sending emails to network

Please let me know if we are missing anything. If not, Jennie and I will run with this.

Thank you both!
